

FIND YOUR CENTER

When you spend some time centering yourself, set your Ninjutsu to your DEX.

TRANSFORMATION TECHNIQUE

When you transform yourself into another person spend 1 Ninjutsu and optionally remove yourself from play. At any time you are out of play, you may declare a minor NPC to be you and return to the scene, in disguise. When your disguise first undergoes enemy scrutiny, roll +DEX. On a 10+, your disguise is flawless. On a 7-9, your disguise has a tell that could give you away, the DM will decide what.
